WINTER 2025

Greetings WGM Alumni and Community Members!

You are invited to join us for this year's Family Fun Day and Auction on Saturday, April 26th from 10:00 AM - 1:00 PM. This year's auction funds will go toward the Great Room Performance Renovation. Walden Green's "Great Room" serves as a versatile area used for All School Sing, Peace Education, Music Concerts, Talent Shows, the 8th Grade Graduation Ceremony, and much more! With upgrades like a built-in stage, improved lighting, and a new video projection system, we can maximize the use of this space to its fullest potential. [Click Here](#) to learn more and/or donate. Thank you!

MY WALDEN GREEN STORY

"I am a 4th grader and I have attended Walden Green since Kindergarten. My parents chose Walden Green Montessori because it was a small school and it allowed me to work at my own pace. The Montessori classroom makes it easier for me to learn. I can touch and see the work with materials and make my own discoveries. Walden Green is special to me because the teachers help me understand better and we have pretty sweet field trips. I love that Walden Green has two adults in every classroom. Also, there are several grades in a class. Montessori Education is unique because you get to move around a lot and not sit at a desk most of the day. I would recommend Walden Green to other kids because it is fun and has helped me get a lot better in math and the teachers are always proud of your accomplishments. Walden Green has prepared me for my future by doing real life projects that help me become more creative."
